95

Dom. Heresztyn-Marzini, Clos-St-Denis GC

(£1,008 CF)

Florence Heresztyn and Simon Mazzini have restored the fortunes of this domaine in the centre of Gevrey in recent years. This is a very serious Clos St Denis, with subtle whole bunch integration, polished oak and remarkable fruit purity supported by chalky minerality. 2020-30

Dom. Heresztyn-Mazzini, Morey-St-Denis PC Les Millandes

(£492 CF)

Often made from small berries, or millerands, this vineyard does what it says on the label. Subtle whole bunch spice, lovely oak, succulent berry fruit concentration and a fine, focused, lingering finish. Still (just) under the radar, these are wines to seek out, buy and drink. 2019-28
