

Domaine Heresztyn-Mazzini (Gevrey-Chambertin)

Dom Heresztyn-Mazzini Pinot Noir 2021 Bourgogne

Cask sample. Mid crimson. Lots of scented fruit but also a little smoky, suggesting reductive winemaking. This is serious Bourgogne with a finely dry tannin texture and dark, rather than pretty, fruit on the palate. Firm and needing time. A savoury, but harmonious, style. (JH)

Dom Heresztyn-Mazzini, Vieilles Vignes 2021 Gevrey-Chambertin

Cask sample. Light to mid crimson. Sweet red fruits on the nose, as well as the more classic dark and spicy Gevrey fruit. Chewy tannins, deep fruit, firm, dry tannins. An impressive village wine that shows the concentration of old vines. A little bit oaky now but has the core fruit to hold the balance. (JH)

Cask sample. Mid crimson. Peppery and black-fruited on the nose. Lovely fruit purity even though the oak is present, adding some sweetness. Powerful, firmly tannic and deliciously savoury on the finish. A highly structured, chewy, but balanced, wine with impressive length. (JH)

50% whole-bunch in 2021. Cask sample.

Mid crimson. Dark fruited and slightly floral/stemmy. Dry, almost chalky tannins – fine but compact. Even in its embryonic state, the refinement is clear. Pure Morey. Long, lithe, with great potential. (JH)

Mid to light crimson. Smells quite different from the Clos Village. The stemmy character of whole bunch showing a little more? Soft, approachable, but with the tannins to keep it in shape for the medium term. Savoury, smooth, long finish. (JH)

Mid crimson. Inviting aroma of rich, but fresh, and peppery dark fruit. Firm, savoury and super-fine tannins. Freshness as much from the tannins as from the acidity. (JH)
