Domaine Heresztyn-Mazzini 2021 Clos St-Denis GC

This is a soulful, brooding Clos St-Denis thanks in part to its 65% whole cluster and 50% new oak. The color is vivid and deep, and the aromas are primary and intense. Vanilla, toast and chocolate are joined by tangy blackberries on the palate. Mineral tingle and muscular, balanced tannins nicely frame the full body. These vines sit at the top of the hill next to Ponsot.

**Domaine Heresztyn-Mazzini 2021 Gevrey-Chambertin PC
Les Champonnets**

In contrast to the Goulots, the Champonnets is more relaxed and graceful. This vineyard produces tiny grapes, so the graceful tannins – especially with 65% whole cluster are impressive. The acidity is so integrated that it feels more like an overarching energy. Aged exclusively in Chassin, there is a light toasty touch to accompany the black plum and boysenberry flavors.

**Domaine Heresztyn-Mazzini 2021 Gevrey-Chambertin PC
Les Goulots**

These 40-year-old vines sit at the chilly top of the slope. This is the first parcel where Florence and Simon began using biodynamics, and they found it eye-opening. This wine is, too. Dense with an exotic intensity of black currants and blackberries accented by savory spice, this is concentrated and statuesque. A wall of sturdy tannins encases the generous fruit core.

**Domaine Heresztyn-Mazzini 2021 Morey-St-Denis PC
Les Millandes**

The sole Morey in the domaine's line-up, this has some Gevrey-esque power to it. The vines are 70 years-old with lots of small clusters, the fruit was vinified with 65% whole cluster and there's 35% new oak. The intensity is eye-opening with blackberry liqueur, black cherry cobbler and fragrant spice dotted with inflections of grill smoke and damp earth. The tannins dry the finish just a touch now but should settle in nicely in a few years.
